A new bespoke residential development, Modern Residence-2, offers spacious and luxurious designer apartments with sea-views for sale. Located on the sought-after Amwaj Islands, apartments and penthouses range from over 87 sq.m. to 198 sq.m. in size and have been thoughtfully designed to create a comfortable and lavish living. High-quality finishing with the finest materials, custom-made furnishing, fully equipped kitchen, high specification leisure facilities and flexible payment schedule make this property an attractive investment. The building is scheduled for completion June 2016.
